

## **SP 46.1 *Subcontract Quality Assurance***

### **Substantive changes made for the 3-31-06 revision:**

1. Deletes all Laboratory-Specific Instructions for LLNL and LANL. This is an LBNL-only SP.
2. Deletes the DEFINITION for “DOE Contractor’s Supplier Quality Information Group (SQUIG)” because it is not used in the SP.
3. Deletes the DEFINITION for “Off-the-Shelf Item” because it is not used in the SP.
4. Deletes all references to SI 46.2 and SP 46.3, which were LLNL documents at one time.
5. Adds the short paragraph about grade 5 hex head cap screws in the “Counterfeit/Suspect Items” section.
6. Deletes all references to “Procurement Quality Support Personnel” which is a term that applies at LLNL, not LBNL.
7. Moves the CLAUSES section from the end to before RESPONSIBILITIES to be consistent with SP formatting.
8. Deletes DEAR 970-7104-29 from REFERENCES. This DEAR clause no longer exists.
